

Physical Therapist Assistant Instructor

Description:

CBD College is a non-profit, Private Post Secondary Healthcare Career College with an emphasis on in-demand medical careers. **CBD College** has been providing quality education and training for over 32 years and is looking for a Part time **Physical Therapist Assistant Instructor**. This is an outstanding opportunity for a service-oriented individual to help our students begin their journey toward their new careers.

SUMMARY:

Under the general supervision of the Program Director, the Physical Therapist Assistant instructor delivers class and/or clinical instructions according to an approved course syllabus using accepted and effective teaching methods; develops daily lesson plans; advises and tutors students; maintains current and accurate attendance and grade records; remains current in applicable program teaching fields; participates in faculty meetings, instructional seminars and two (2) in-service training sessions. Participates in college activities such as faculty meetings, student functions, graduations, open houses, new student orientations, and advisory board meetings.

*This is a **Part Time** position.*

QUALIFICATIONS:

- Must be a graduate from a physical therapy program, recognized by the Commission on Accreditation in Physical Therapy Education (CAPTE).
- Must have academic credentials to support the subject area(s) taught.
- Must demonstrate prior training in instructional methodology and teaching skills from a formal teacher educational program or any comparable training program or formal in-house training program.
- Minimum of a Master's degree with the appropriate coursework in the subject area required.
- Current Physical Therapy license to practice in California.
- Current CPR Card.
- Current Driver's License.
- Must have a minimum of three (3) years of related practical work experience (excluding teaching experience) in the subject areas taught.
- Experience with MS Office.
- Must have a minimum of one (1) year of teaching experience in the subject areas taught or demonstrate prior training in instructional methodology and teaching skills from a formal teacher educational program or any comparable training program or formal in-house training program.
