Why become a Pharmacy Technician?

- Work in Hospitals, retail pharmacies, grocery stores, mass retailers, or department stores
- Fastest growing field of employment
- Excellent pay
- Flexible hours
- Job Security
- Scientific advances spur new demand for Pharmacy Technicians

According to the U.S Bureau of Labor Statistics (BLS), Employment of pharmacy technicians is expected to grow by 32% from 2010 to 2020, much faster than the average for all occupations. As a result of advances in pharmaceutical research, more prescription medications are being used to fight diseases. Also, the number of older people is growing, and older people use more prescription drugs than younger people.

Where Can I Work?

- Long term care Pharmacies
- Home Infusion Pharmacies
- Grocery Stores
- Pharmaceutical Companies
- Herb Stores
