The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in an educational program who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident, or are enrolled in a residency program, prepaid tuition, paid the STRF fee, and suffered an economic loss as a result of any of the following:

1. The school closed before the course was completed;
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school;
3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs;
4. A material failure to comply with the Act or this Division within 30 days before the school closed or, if the material failure began earlier than 30 days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

### ***TUITION AND SCHOLARSHIP POLICY***

Tuition is charged in accordance with the program in which you are enrolled. The school is currently approved to offer federal financial aid. For those who qualify, Pell Grants, Cal Grants or other forms of federal financial aid may be available to cover the cost of tuition, fees and materials. If students do not qualify for federal grants, they may be able to secure other options. To learn more, contact our Financial Aid Officers.

Currently the College does not offer a formal scholarship program. However, institutional personnel are familiar with public funding sources and their requirements. Financial Aid personnel will provide this information to students interested in financial assistance.

### ***PAYMENT PLANS***

CBD College accepts **CREDIT CARDS** (except AmEx), **CHECKS** or **MONEY ORDERS** payable to **CBD COLLEGE** as the methods of student payment.

Tuition payments should be made in person at the Finance Office during regular office hours or mailed prior to the due date. Checks that are returned for non-sufficient funds will be assessed a \$25 fee. If tuition payments by check are returned more than once for non-sufficient funds during enrollment, all future payments must be paid by money order. Payment of tuition as listed on the Schedule of Payments is due and payable either on the first day of every month or at the mid-point of the first financial year, mid-point of the program, and mid-point of the second financial year. Payments not made within five (5) business days of the scheduled due date may be subject to a late charge. The school will make any efforts to collect the money due while the student is at school. If no payment is received thirty (30) days after payment is due, the student may

be removed from class and not be allowed to attend school until all payments are current. The student will be subsequently withdrawn.

The College will not provide grade or attendance reports or transcripts for students who have not made any payments. The College will not provide job placement assistance, subsequent enrollment, or any other student services until the student's account balance is current.
