The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

TUITION AND SCHOLARSHIP POLICY

Tuition is charged in accordance with the program in which you are enrolled. The school is currently approved to offer federal financial aid. For those who qualify, Pell Grants, Cal Grants or other forms of federal financial aid may be available to cover the cost of tuition, fees and materials. If students do not qualify for federal grants, they may be able to secure other options. To learn more, contact our Financial Aid Officers.

Currently the College does not offer a formal scholarship program. However, institutional personnel are familiar with public funding sources and their requirements. Financial Aid personnel will provide this information to students interested in financial assistance.

PAYMENT PLANS

CBD College accepts **CREDIT CARDS** (except AmEx), **CHECKS** or **MONEY ORDERS payable to CBD COLLEGE** as the methods of student payment.

Tuition payments should be made in person at the Finance Office during regular office hours or mailed prior to the due date. Checks that are returned for non-sufficient funds will be assessed a \$25 fee. If tuition payments by check are returned more than once for non-sufficient funds during enrollment, all future payments must be paid by money order. Payment of tuition as listed on the Schedule of Payments is due and payable either on the first day of every month or at the mid-point of the first financial year, mid-point of the program, and mid-point of the second financial year. Payments not made within five (5) business days of the scheduled due date may be subject to a late charge. The school will make any efforts to collect the money due while the student is at school. If no payment is received thirty (30) days after payment is due, the student may be removed from class and not be allowed to attend school until all payments are current. The student will be subsequently withdrawn.

The College will not provide grade or attendance reports or transcripts for students who have not made any payments. The College will not provide job placement assistance, subsequent enrollment, or any other student services until the student's account balance is current.
