Module #1
- College Math: MTH 100
- Written and Oral Communication: ENG 100
- General Physics: PHY 100
- Human Anatomy & Physiology: BIO 100
- Medical Terminology: MT 100

Module #2
- Physical Principles & Instrumentation of Ultrasound: DMS 200
- Fundamentals of Sonography: DMS 215

Module #3
- Abdominal & Small Parts Ultrasound Imaging: DMS 300
- Professional Aspects of Sonography: DMS 315

Module #4
- Obstetrics & Gynecology Ultrasound Imaging: DMS 400
- Patient Care for Sonographers: DMS 415

Module #5
- Vascular Ultrasound Imaging: DMS 500
- Patient/Sonographer Interaction: DMS 515

Module #6
- Clinical Practicum I: DMS 600

Module #7
- Clinical Practicum II: DMS 700
- Test Preparation: DMS 715

Why Become a Diagnostic Medical Sonographer (DMS)?
1. The Bureau of Labor Statistics estimates a 44% increase in DMS jobs between 2010 and 2020
2. DMS is a cutting edge segment of the rapidly growing healthcare industry
3. Work with doctors, nurses, and others as a critical piece of the medical team
4. Earn substantial income and be part of this in-demand profession
5. Work in hospitals, imaging centers, physician offices, OB/GYN clinics, Planned Parenthood, 3D & 4D imaging centers, and mobile ultrasound labs

Diagnostic Medical Sonography Program Details at CBD College

The Associates of Applied Science in Diagnostic Medical Sonographer degree program at CBD College is designed to prepare students for a career in the healthcare field. Students will learn Physics, Anatomy & Physiology, Fundamentals of Sonography, Vascular Ultrasound Imaging, Patient/Sonographer Interaction, and more. Clinical experience in our externship phase occurs in the last module of the program at a variety of clinical settings.

Why Study at CBD College
1. Benefit from a non-profit environment where experienced professionals and volunteers in the DMS field dedicate countless hours of research and development to the program
2. CBD College has sophisticated, state-of-the-art Diagnostic Medical Sonography equipment on which you will learn all of the techniques required for the field
3. Lifetime job placement and career services assistance
4. CBD College has relationships with a wide variety of clinics
5. Learn from dedicated instructors with extensive, real-world experience in the fields in which they teach
6. CBD College provides career education that simulates the real world, so you can begin using your education immediately on the job
7. CBD College provides on the job experience in a wide variety of clinical settings
8. Personalized attention for each student
9. Call to learn more about the CBD difference.
