

## **TRANSFER STUDENTS; EVALUATION OF TRANSFER CREDIT**

CBD College reserves the right to deny or accept transfer of credits at its sole discretion. Students previously enrolled in any college accredited by an agency recognized by the United States Department of Education (USDE) or the Council for Higher Education Accreditation (CHEA) may submit their records to CBD College for review. The following programs are eligible for transfer credit consideration: OTA, PTA, ST, HIT, MRI and BSHS. Residency is defined as coursework completed at the College, not including transfer credit. A minimum of 25 percent of academic credits must be completed in residence. CBD College evaluates prior coursework for credit for general education and core coursework, program dependent.

CBD College will evaluate prior credit for students receiving VA benefits, grant credit as appropriate, notify the student of the evaluation, and adjust the program hours accordingly.

The acceptance of any credits may affect the amount of financial aid eligibility at CBD College. Therefore, all students requesting transfer of credit are encouraged to meet with a Financial Aid representative to be advised on how their particular transfer of credit request may affect their eligibility. If the credits are granted, the tuition will be prorated and reduced based on the number of transferable credits granted. The cost of textbooks may be reduced based on the approval of transfer credits. CBD College does not charge any fees for the review of or granting of transfer of credits. Students requesting to have their previously earned credits reviewed must provide transcripts to the school prior to the Add/Drop date of class. (Note: CBD College reserves the right to request official, sealed transcripts, as appropriate, if it deems it necessary for the purposes of conducting a transfer credit evaluation.) The requesting student will submit the documents to the Dean of Education, who will review and provide a written result of the review to the Student. The student must have a minimum passing grade of C or higher on all credits to be reviewed/transferred. Any late submission will not be accepted and no credit(s) will be given. The College's administration reserves the right to evaluate special circumstances.
