CHILDCARE AMOUNT**:	_____			

**\*\*Please Note: Reasonable Expenses with Adequate Documentation Provided by the Student**

TOTAL THE MONTHLY CHILD CARE EXPENSE AND ADD TO YOUR F.A. BUDGET

The 2022-2023 Budget is derived from the financial aid budget of the California Student Aid Commission for standard metropolitan areas of our size and composure. These monthly budget amounts are uniformly applied to student applicants during the current Award Year. Unusual Medical/Dental Expenses and/or Transportation Expenses may be added to the Budget if properly documented in the Student's Financial Aid Folder.
