The Cost of Attendance is assumed as off-campus housing status. CBD College does not provide on-campus housing. For dependent students only, if off-campus is incorrect and you would like to declare a different housing status (for example with parent), please notify Financial Aid by emailing fa@cbd.edu so we may review and adjust your Cost of Attendance. Please keep in mind that adjusting your COA does not increase your financial aid awards.

The 2026-2027 Budget is derived from the financial aid budget of the California Student Aid Commission for standard metropolitan areas of our size and composure. These monthly budget amounts are uniformly applied to student applicants during the current Award Year. Unusual Medical/Dental Expenses and/or Transportation Expenses may be added to the Budget if properly documented in the Student's Financial Aid Folder.
